## ABOUT ME

I am a freelance animator with 6 years of animation experience, and many more years of experience creating unique characters and stories. I work great in a team setting and love learning new things. In my free time I dabble in 3D models and cross stitching!

## SKILLS

- Toon Boom Harmony
- Adobe Photoshop
- Adobe Illustrator
- Adobe Substance Painter
- Maya
- Z Brush
- Team Player
- Flexible

## EXPERIENCE

### FREELANCE ANIMATION

E-Fish Animations

2020 - present

- Worked with clients to create animations that match their vision
- Created a unique intro for a music production company
- Helped another student with rough animations for their senior film

### KENNESAW OWLS, KACC

Kennesaw Art and Culture Commission

2021

- Created a colorful owl statue that was displayed in Kennesaw, GA and sold as a fundraiser for a local food bank
- Manipulated unusual materials to create a cohesive statue with a fun story displayed below it

### 3D MODELING

Kennesaw State University

2022 - present

- Created unique models of characters and prop materials from sketches to coloring
- Mixed a 3D background created in Maya with 2D animation in Harmony for my senior exit portfolio
